

Capabilities & Competencies

We support organizations seeking to:

- Leverage **existing experience** to grow within the federal funding arena.
- Identify and target **new opportunities** in the federal funding arena.
- Expand organizational capacity to **support and improve** service delivery.
- Train staff at all levels on emerging **public health priorities** and best practices for addressing them.
- Plan, develop, and update **organizational strategic plans**.
- Understand the possible impact that **changes in either public policy or funding sources** can have on your organization's mission, management, and effectiveness.

Empowering you to plan,
implement, evaluate, sustain,
enhance and grow your capacity
to provide quality services
to your clients.

VISION. INTEGRITY.
KNOWLEDGE. SOLUTIONS.
